

The ACS Coimbatore Chapter which was formed in 2004 is vibrant. It organizes various programmes/conferences/events for the benefit of the members locally as well as the ACS community in general.

INFINITUM '06 – a National level technical symposium was organized by the Chapter on 7 Jan 2006 and along with PSG College of Technology, seeking grants from AICTE for setting up Institutes-Industries cluster bringing together institutions and industries in and around the region to derive the benefits of resource sharing.

It is organizing “ACS International Conference on Global Software Development” during 26-28 July 2007 in association with PSG College of Technology. For more details please log on to: www.psgtech.edu/icgsd.html
