

NORMS FOR FORMATION OF LOCAL CHAPTERS OF ACS

1. All executive committee members of the local chapter should be the life members of ACS.
2. The local chapter should have at least 10 life members to start with and should grow up to 20 life members at the end of 2 years.
3. The membership applications and the amount received towards the membership should be sent to parent body.
4. Students can be accepted as Associate Annual Members of ACS @ Rs.100/- per annum, but they are not voting members.
5. Student members accepted at local chapters are associated with the concerned local chapter only.
6. Once in 6 months, the local chapter presents its accounts to the parent body.
7. In the AGM, the local chapter should also present the audited accounts along with that of ACS.
8. The local chapter gets the following amount:
 - 8.1 Authentication certificate by the HQ
 - 8.2 A portion of interest accrued over Life membership amount
 - 8.3 50% of annual membership amount
 - 8.4 Full amount of student membership.
9. If the speaker is chosen from outside, the up and down fare and the local hospitality has to be borne by the local chapter.
10. Expectations by ACS HQ of the local chapter and vice-versa are made clear at the time of formation of the chapter and amended as and when required.
11. ACS to provide speakers to the local chapter whenever the concerned member/s happened to visit the place and vice-versa and thereby contribute to the development of technical activity.
12. The local chapter should arrange one lecture/workshop per month in and around the local chapter and the registration should be free for the permanent members of the Society and certificates to be issued to the participants of the workshop.
